

25' INTERNATIONAL SS TRAILER

INTERNATIONAL TRAILERS: 10 FLOORPLANS, 16' - 28'

The Airstream International line redefines upscale and contemporary sleek sophistication. For designer styling as unique as you are, choose from two breathtaking interior decors.

From award winning architect and designer Christopher C. Deam, comes the Signature Series CCD. Inspired by the desire to visually echo the reflective exterior, this design combines a polished aluminum interior with luxurious

Wenge laminate. The effect is to open up the trailer to as much light as possible reflecting off the polished surfaces and creating a high contrast feast for the senses. Intuitive floorplans and spatial design do away with any sense of clutter without sacrificing charm. Modern color options and fabric choices complement the high contrast aluminum and laminate elements, creating a subtle but magical connection between the exterior and interior space.

For those who crave the oceanside experience, the International is also available in the light and airy Ocean Breeze decor. Offering watery, oceanic colors and a delightfully peaceful aura, you'll swear you can almost hear the sounds of surf every time you step inside.

Both styling packages feature "vista view" and panoramic windows, truly bringing the outside in. At night, strategically-placed recessed halogen lighting sparkles like starlight across the interior aluminum skin. Every color, shape, surface, and texture contribute to an atmosphere of relaxed modernism, with the perfect balance of luxury and streamlined efficiency that give this series its unmatched international flair that follows wherever the road takes you.
