 **AIRSTREAM**

Where Silver goes Platinum.

At Airstream, we love high standards. After all, that's how we became who we are today. If you're anything like we are, then you've wondered just how far you can take the concept of absolute luxury. The answer? The Airstream Classic. Our longest running model shows that it can defy expectations for decades without ever resting on its laurels.

30+ feet long. Light years ahead.

That empty nest is
looking pretty sweet.

Fresh air – part of a complete breakfast.

"Well appointed" is an understatement.

Built for the long haul or a killer weekend.

Deep and durable stainless sink with a Kohler® faucet for a lifetime of use.

Return ticket
optional.

Between the premium hardwood finishes, a Kohler® sink faucet and heated towel bar, you'll forget you're on wheels.

Home is a state of mind. Or a Classic.

Odds are, if you want it – this trailer has it. Everything you see, touch and operate in the Airstream Classic is the top of the line. We're not talking gadgetry for the sake of flair, either. We're talking durable, road tested, best in the business materials and technology meant to last a lifetime. And beyond.

Redefine what it means to sleep well with a powered, adjustable bed.

Spacious kitchens make for great meals.

Just because it's more than
you need doesn't mean you
shouldn't have it.

33FB Twin

With ample storage, a Dupont Corian® galley and a 3-burner range with Baraldi vent – your meals on the road will rival nights on the town.

The wardrobe with long mirror is just another way you'll see your reflection in an Airstream.

Showers are a breeze with the detachable, aerating shower head.

Spacious living room with an entertainment center that can compete with any home theater.

It's Time To Live Riveted.

Airstreams are built to go places — to withstand the test of time with enduring quality, design and integrity. Since the first Airstream was riveted together in 1932, we've helped our customers explore a world of new experiences in comfort and luxury. This journey can take you anywhere, but there's only one way to get there — in an Airstream of your own.
