When the open road beckons, find spontaneous freedom right outside your door . . . step into an Airstream Interstate and imagine the possibilities.

The Airstream Interstate touring coach is supported by distinctive design, outstanding performance and lasting value. Airstream has converted this Class B motorcoach with a Sprinter chassis into a luxury camper with galley and self-contained bath, seating for six and sleeping accommodations for two. The Interstate is truly an all-purpose touring coach for today’s active lifestyles. Take it on weekend trips or extended tours - the Interstate easily adapts to both. Airstream Interstate makes the drive as rewarding as the destination...
