Blue Ox SwayPro® Hitch System

SwayPro by Blue Ox is a weight distributing hitch that prevents trailer sway. The SwayPro is designed with the user in mind, making it the most user-friendly trailer sway prevention system on the market today. Enjoy the ease of quickly hooking up and disconnecting the trailer. There is no need to disconnect prior to backing up. Eliminates the use of friction pads, resulting in a smooth and quiet ride.

- **Quickly hookup and disconnect**
- **Prevents Sway in any weather**
- **Backup without disconnecting**
- **Easy to Use no pins or clips**

Installed Cost: \$1600*

*Additional cost for extended Class-V requirements
