

## Battle Born G31 Battery BB10012H

The Battle Born BB10012H LiFePO4 Deep Cycle battery is a replacement for a GC2 lead acid battery. Can be charged up to 5 times faster than lead acid and lasts 10 times longer than lead acid batteries. Includes internal heating system that provides uniform heat for use in cold temptures.

- 100 Amp Hour, 12 Volt Battery
- 3000- 5000 Cycles
- Internal heating system
- 12.75" x 6.875" x 9"

DESIGNED AND ASSEMBLED IN  
**USA**

Installed Cost: **\$1125**

## Lithionics Battery

### Lithionics 12V 130AH G31 Battery

The Lithionics 12V 130AH G31 Battery is a direct replacement for a 24 series battery. Features include Push button On/Off switch for Safety and Storage, Bluetooth monitoring with iOS and Android app, and NeverDie® Power Reserve.

- 130 AMP Hours
- 1664 Watt-Hours
- On/Off switch
- NeverDie® Power Reserve
- Bluetooth battery monitor
- UL Listed

## SmartSolar MPPT 150/35

A solar charger gathers energy from your solar panels, and stores it in your batteries. Using the latest, fastest technology, SmartSolar maximizes this energy-harvest, driving it intelligently to achieve full charge in the shortest possible time. SmartSolar maintains battery health, extending its life.

- Maximizes solar energy-harvest
- Maintains battery health
- Remote Monitoring and Control via VictronConnect App

Installed Cost: **\$450**

## SmartShunt 500 amp Battery Monitor

The SmartShunt is an all in one 500 amp battery monitor. The SmartShunt connects via Bluetooth to the VictronConnect App on your phone/tablet and you can read out all monitored battery parameters.

Installed Cost: **\$350**

## Weatherproof Toggle Switch

Single pole, single throw toggle switch turns one circuit on and off. Common applications include any single circuit requiring an on-off style switch. Rated for 25A at 12V DC.

Installed Cost: **\$125**

## WFCO Converter Charger

Multi-stage lithium-ion converter charger from WFCO. Designed to power the RV's lights and appliances and also charge lithium-ion batteries.

**30A units**

Installed Cost: **\$500**
